The designation "3.2% BEER," "3.2% ALE," or "4.0% ABV Beer," "4.0% ABV Ale," etc., as the case may be, shall be composed of legible symbols of not less than ¼ of one inch in height, and shall be indelibly stamped or imprinted on top of the case or carton or upon the sealing strip thereof. Notwithstanding the above, cartons or unsealed returnable cases need no external markings if such container allows direct view of the individual cans or bottles which indicates the percent and type of beverage therein.

- B. No licensee shall sell, offer or expose for sale or distribute within this state any fermented malt beverages in kegs, casks or other containers except bottles and cans of less than 33 ounces capacity unless such containers bear thereon the phrase "3.2%" followed by a word indicating the type of beverage, such as beer or ale. The designation "3.2% BEER", "3.2% ALE," etc., as the case may be, shall be composed of legible symbols of not less than one inch in height, shall clearly and visibly appear on the container which is intended to be opened and shall be indelibly stamped or imprinted either upon the container itself or upon a label affixed thereto and sealed with a transparent water repellent material. The purpose of this regulation is to establish clear and comprehensive procedures and considerations required for a statement of position and/or a declaratory order.

- A. **Statements of Position.** Any person may petition the Liquor Enforcement Division of the Colorado Department of Revenue for a statement of position concerning the applicability to the petitioner of any provision of the Colorado Liquor, Beer, or Special Events Codes, or any regulation of the state licensing authority.
- B. **Service of Petition for Statement of Position.** A letter for petition for a statement of position shall be served on the Liquor Enforcement Division by mailing or emailing such petition to the Division with a copy sent on the same date to the local licensing authority in the county or municipality where the petitioner's licensed premises or proposed licensed premises are located (if applicable). Each petition for a statement of position shall contain a certification that the service requirements of this paragraph have been met.
- C. **Time to Respond.** The Division shall respond to a petition for statement of position in writing setting forth its position and the reasons therefore within forty-five (45) days of receiving such petition.
- D. **Declaratory Orders.** Any person who has petitioned the Division for a statement of position and who is dissatisfied with the statement of position or who has not received a response within forty-five (45) days, may petition the state licensing authority for a declaratory order pursuant to section 24-4-105(11), C.R.S. The parties to any petition for a declaratory order pursuant to this regulation shall be the petitioner and the Liquor Enforcement Division.
- E. **Time to Petition for a Declaratory Order.** If a petitioner is dissatisfied with a statement of position, a petition for declaratory order must be filed within forty-five (45) days after issuance of the statement of position. Any petitioner who has not received a statement of position within forty-five (45) days may petition the state licensing authority at any time thereafter.

- F. Requirements of Petition for Declaratory Order. Each petition for a declaratory order shall set forth the following:
1. The name and address of the petitioner; whether the petitioner is licensed pursuant to the Colorado Liquor, Beer, or Special Events Codes and if so, the type of license/permit and address of the licensed premises.
  2. The statute, rule, or order to which the petition relates.
  3. A concise statement of all of the facts necessary to show the nature of the controversy or the uncertainty as to the applicability to the petitioner of the statute, rule or order to which the petition relates.
  4. A concise statement of the legal authorities if any, and such other reasons upon which petitioner relies.
  5. A concise statement of the declaratory order sought by the petitioner.
- G. Service: A petition for a declaratory order shall be served on the State Licensing Authority by mailing such petition to the State Licensing Authority with a copy of the petition sent on the same date to the Liquor Enforcement Division, the local licensing authority in the county or municipality where the petitioner's licensed premises or proposed licensed premises are located, and to the Revenue & Utilities Section of the Colorado Department of Law. Each petition for a declaratory order shall contain a certification that the service requirements of this paragraph have been met.
- H. Acceptance: The state licensing authority will determine, in its discretion without prior notice to the petitioner, whether to entertain any petition. If the state licensing authority decides it will not entertain a petition, it shall promptly notify the petitioner in writing of its decision and the reasons for that decision. Any of the following grounds may be sufficient reason to refuse to entertain a petition:
1. The petitioner has failed to petition the Division for a statement of position, or if a statement of position has been issued, the petition for declaratory order was filed with the state licensing authority more than forty-five (45) days after issuance of the statement of position.
  2. A ruling on the petition will not terminate the controversy nor remove uncertainties concerning the applicability to petitioner of the statute, rule or order in question.
  3. The petition involves a subject, question or issue which is currently involved in a pending hearing before the state or any local licensing authority, or which is involved in an on - going investigation conducted by the Division or which is involved in a written complaint previously filed with the state liquor licensing authority.
  4. The petition seeks a ruling on a moot or hypothetical question, having no applicability to the petitioner.
  5. Petitioner has some other adequate legal remedy, other than an action for declaratory relief pursuant to Colo.R.Civ.P. 57, which will terminate the controversy or remove any uncertainty concerning applicability of the statute, rule or order.

- I. Determination: If the state licensing authority determines that it will entertain the petition for declaratory order, it shall promptly so notify all parties involved, and the following procedures shall apply:
  - 1. The state licensing authority may expedite the hearing, where the interests of the petitioner will not be substantially prejudiced thereby, by ruling on the basis of the facts and legal authority presented in the petition, or by requesting the petitioner or the Liquor Enforcement Division to submit additional evidence and legal argument in writing. Any such request for additional information shall be copied on all parties.
  - 2. If the state licensing authority determines that an evidentiary hearing or legal argument is necessary to a ruling on the petition, the state licensing authority shall issue a Notice to Set to all parties and on the date so set, a hearing shall be conducted in conformance with section 24-4-105, C.R.S.
  - 3. In ruling on a petition for declaratory order, the state licensing authority may take administrative notice of general, technical or scientific facts within its knowledge, so long as the fact is specified in the record or is brought to the attention of the parties before final decision and every party is afforded an opportunity to controvert the fact so noticed.
  - 4. Every declaratory order shall be promptly decided and issued in writing, specifying the basis in fact and law for the order.
  - 5. Any other interested person may seek leave of the state licensing authority to intervene in the proceeding and such leave may be granted if the licensing authority determines that such intervention will make unnecessary a separate petition for declaratory order by the interested person.
  - 6. A declaratory order shall constitute agency action subject to judicial review pursuant to section 24-4-106, C.R.S.
- J. Record Retention and Reliability: Files of all requests, statements of position, and declaratory orders will be maintained and relied upon by the Liquor Enforcement Division for a period of five (5) years, unless the statement of position or declaratory order is superseded by a statutory or regulatory change, or amended or reversed by the State Licensing Authority. Except with respect to any material required by law to be kept confidential, such files shall be available for public inspection.

**Regulation 47-300. Change in Class of License.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(A), C.R.S. The purpose of this regulation is to establish procedures for a licensee requesting to change its license class, and provide clarity regarding a licensee's status pending this change.

- A. A request for a change in the class of license from that presently held by a licensee shall be considered an application for a new license and subject to the requirements of sections 12-47-311, C.R.S and 12-47-313. C.R.S.
- B. Repealed.

- C. A new application to change the class of license shall not prohibit a licensee from operating under the terms and conditions of the old license, while its application for change in class is pending. Upon issuance of the new license, the licensee may continue the sale of the alcohol beverage inventory that was purchased under the old license, as long as the new license authorizes the sale of the same type of alcohol beverages. However, nothing herein shall authorize a licensee to sell a type of alcohol beverage unless specifically authorized to do so by the license it holds.

**Regulation 47-301. Undue Concentration of Licenses.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(F), C.R.S. The purpose of this regulation is to establish factors the licensing authority may consider when determining whether certain new licenses would result in an undue concentration of the same license type in making such a determination pursuant to section 12-47-301(2)(b), C.R.S.

- A. For purposes of determining if the issuance of a new tavern or retail liquor store license would result in or add to an undue concentration of the same class of license and, as a result, require the use of additional law enforcement resources, the state or local licensing authority may consider factors, including, but not limited to:
1. Whether the ratio of the number of tavern or retail liquor store licenses within the county/s of the neighborhood to be served where application has been made to the county/s population exceeds the ratio of the statewide number of licenses of the same class to the state population;
  2. Whether the ratio of the number of tavern or retail liquor store licenses within the census tract or census division in the neighborhood in which the applicant premises are located to the population of the census tract or division exceeds the ratio of number of licenses of the same class in the county or municipality to the population of the county or municipality where application has been made;
  3. The distance between the applicant premises and the premises of other holders of the same class of license;
  4. Published data concerning the concentration of tavern or retail liquor store licenses and its effect on the need for law enforcement resources; and
  5. Testimony concerning the use of law enforcement resources by law enforcement officials with the responsibility for enforcing state or local law in the area in which the applicant premises are located.
- B. For purposes of this regulation:
1. The number of tavern and retail liquor store licenses within a given area shall be as published by the state licensing authority;
  2. The population shall be the estimate published by the most recent United states decennial or special census (for state, census tract, and census division data) or the most recent estimates published by the Department of Local Affairs (for county and municipal data).
  3. "Neighborhood" shall be that area as required pursuant to 12-47-312(2)(a) C.R.S.

**Regulation 47-302      Changing, Altering, or Modifying Licensed Premises.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(A), C.R.S. The purpose of this regulation is to establish procedures for a licensee seeking to make material or substantial alterations to the licensed premises, and provide factors the licensing authority must consider when evaluating such alterations for approval or rejection.

- A. After issuance of a license, the licensee shall make no physical change, alteration or modification of the licensed premises that materially or substantially alters the licensed premises or the usage of the licensed premises from the plans and specifications submitted at the time of obtaining the original license without application to, and the approval of, the local and state licensing authorities.

For purposes of this regulation, physical changes, alterations or modifications of the licensed premises, or in the usage of the premises requiring prior approval, shall include, but not be limited to, the following:

1. Any increase or decrease in the total size or capacity of the licensed premises.
2. The sealing off, creation of or relocation of a common entryway, doorway, passage or other such means of public ingress and/or egress, when such common entryway, doorway or passage alters or changes the sale or distribution of alcohol beverages within the licensed premises.
3. Any substantial or material enlargement of a bar, or relocation of a bar, or addition of a separate bar. However, the temporary addition of bars or service areas to accommodate seasonal operations shall not require prior approval unless the additional service areas are accompanied by an enlargement of the licensed premises.
4. Any material change in the interior of the premises that would affect the basic character of the premises or the physical structure that existed in the plan on file with the latest application. However, the following types of modifications will not require prior approval, even if a local building permit is required: painting and redecorating of premises; the installation or replacement of electric fixtures or equipment, plumbing, refrigeration, air conditioning or heating fixtures and equipment; the lowering of ceilings; the installation and replacement of floor coverings; the replacement of furniture and equipment; and any non structural remodeling where the remodel does not expand or reduce the existing area designed for the display or sale of alcohol beverage products.
5. The destruction or demolition, and subsequent reconstruction, of a building that contained the retailer's licensed premises shall require the filing of new building plans with the local licensing authority, or in the case of manufacturers and wholesalers, with the state licensing authority. However, reconstruction shall not require an application to modify the premises unless the proposed plan for the newly-constructed premises materially or substantially alters the licensed premises or the usage of the licensed premises from the plans and specifications submitted at the time of obtaining the original license.
6. Nothing herein shall prohibit a licensee, who is otherwise not eligible for an optional premises permit or optional premises license, from modifying its licensed premises to include in the licensed premises a public thoroughfare, if the following conditions are met:
  - a. The licensee has been granted an easement for the public thoroughfare for the purpose of transporting alcohol beverages.

- b. The public thoroughfare is authorized solely for pedestrian and non-motorized traffic.
  - c. The inclusion of the public thoroughfare is solely for the purpose of transporting alcohol beverages between licensed areas, and no sale or consumption will occur on or within the public thoroughfare.
  - d. Any other conditions as established by the local licensing authority.
- B. In making its decision with respect to any proposed changes, alterations or modifications, the licensing authority must consider whether the premises, as changed, altered or modified, will meet all of the pertinent requirements of the Colorado Liquor or Beer Codes and related regulations. Factors to be taken into account by the licensing authority shall include, but not be limited to, the following:
  - 1. The reasonable requirements of the neighborhood and the desires of the adult inhabitants.
  - 2. The possession, by the licensee, of the changed premises by ownership, lease, rental or other arrangement.
  - 3. Compliance with the applicable zoning laws of the municipality, city and county or county.
  - 4. Compliance with the distance prohibition in regard to any public or parochial school or the principal campus of any college, university, or seminary.
  - 5. The legislative declaration that the Colorado Liquor and Beer Codes are an exercise of the police powers of the state for the protection of the economic and social welfare and the health, peace, and morals of the people of this state.
- C. If permission to change, alter or modify the licensed premises is denied, the licensing authority shall give notice in writing and shall state grounds upon which the application was denied. The licensee shall be entitled to a hearing on the denial if a request in writing is made to the licensing authority within fifteen days after the date of notice.
- D. This regulation shall be applicable to the holder of a manufacturer's license as specifically defined in Section 12-47-402, C.R.S., or a limited winery defined in section 12-47-403, C.R.S., only if the physical change, alteration, or modification involves any increase or decrease in the total size of the licensed premises or sales room locations. Neither the state or local licensing authority shall impose any additional fees for the processing or review of an application for a modification of premises for the holder of a manufacturer's license.

**Regulation 47-303. License Renewal.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(D), C.R.S. The purpose of this regulation is to clarify and establish procedures and deadlines for a licensee that is applying to renew its license in accordance with section 12-47-302, C.R.S.

- A. Only the license holder may exercise the privilege of license renewal. No one other than the license holder, or their duly-authorized representative, may file an application to renew the license with local and state licensing authorities.

- B. A complete renewal application shall include evidence that the licensee remains in possession of the licensed premises, by ownership, lease, rental, or other arrangement at the time of application. Lease agreements that include a provision that a lease period may lapse within the new license year do not automatically disqualify the licensee from renewing, nor automatically invalidate the license. However, this provision does not preclude a licensing authority from initiating any action as provided by law to suspend or revoke a license for loss of possession of the licensed premises.
- C. Application for the renewal of an existing license shall be made to the local licensing authority not less than forty-five (45) days prior to the date of expiration and to the state licensing authority not less than thirty (30) days prior to the date of expiration. The state or local licensing authority may waive these requirements for good cause. Once an application for renewal has been filed with the local licensing authority, the licensee may continue to operate up and until final agency action, if final action by both authorities has not been completed before the date of license expiration.
- D. No application for renewal of a license shall be accepted by the local licensing authority after the date of expiration; except that, a licensee whose license has not been expired for more than ninety (90) days may file a late renewal application upon the payment of a non-refundable late application fee to the local licensing authority. A licensee who files a late renewal application and pays the requisite fees may resume operation until both state and local licensing authorities have taken final action to approve or deny such licensee's late renewal application.
- E. Nothing herein authorizes a licensee to purchase, sell, or serve alcohol beverages with an expired license after expiration, except as otherwise authorized in this regulation. Licensed privileges are not restored until the renewal application and requisite fees have been duly filed with the local licensing authority, in the case of a retail license, and with the state licensing authority for all others.
- F. Pursuant to section 12-47-302(2), C.R.S., any licensee whose license has been expired more than ninety (90) but less than one hundred eighty (180) days, may submit to the local licensing authority, or state licensing authority (for state-only issued licenses) an application for a reissued license, subject to section 12-47-302, C.R.S.
- G. Any licensee whose license has been expired for more than one hundred eighty (180) days must apply for a new license pursuant to section 12-47-311, C.R.S. and shall not purchase or sell any alcohol beverage until all required licenses have been obtained, unless otherwise authorized under these regulations.

**Regulation 47-304. Transfer of Ownership and Changes in Licensed Entities.**

**Basis and Purpose.** The statutory authority for this regulation is located at subsections 12-47-202(1)(b), 12-47-202(2)(a)(I)(J), 12-47-301(7), 12-47-301(9), and section 12-47-308, C.R.S. The purpose of this regulation is to establish reporting and disclosure requirements for the identification of applicants, licensees, and their relevant financial interests to promote transparency and prevent the occurrence of statutorily prohibited financial interests between the manufacturing, wholesale, and retail tiers.

**A. Corporations and Limited Liability Companies**

1. If the applicant for any license under Articles 46 or Article 47 of Title 12 is a corporation or limited liability company, it shall submit with the application, the names, addresses, and individual history records of all of its principal officers, directors, or managers, and a copy of its articles of incorporation or articles of organization; and if a foreign entity, evidence of its qualification to do business within this state. In addition, each applicant shall submit the names, addresses, and individual history records of all persons owning 10% or more of the outstanding or issued capital stock, or persons holding a 10% or more membership interest.
2. Any transfer of capital stock or any change in principal officers or directors of any corporation holding a license under the provisions of the Colorado Liquor or Beer Code and which is not subject to the reporting requirements of the Securities and Exchange Act of 1934, as amended, shall be reported to the respective licensing authorities within thirty (30) days after such transfer or change. With the report, the licensee shall submit the names, addresses, and individual history records for any new officer, director, or stockholder acquiring 10% or more outstanding capital stock, as well as the corporate minutes verifying the transactions. Licensees that are subject to the Securities and Exchange Act of 1934, as amended, shall be required to do the same, except that they shall not be required to report any single transfer of outstanding capital stock of less than 10%.
3. Any transfer of membership interest or any change in managers of any limited liability company holding a license shall be reported to the respective licensing authorities within thirty (30) days after such transfer or change. With the report, the licensee shall submit the names, addresses, and individual history records for any new manager, or member acquiring 10% or more membership interest.

**B. Partnerships**

1. If the applicant for any license under articles 46 or 47 of title 12 is a general partnership, limited partnership, limited liability partnership, or limited liability limited partnership it shall submit with the application, the names, addresses, and individual history records of all of its general or managing partners, and a copy of its partnership agreement; and, if a foreign entity, evidence of its qualification to do business within this state. In addition, each applicant shall submit the names, addresses, and individual history records of any other partner holding a 10% or more partnership interest.
2. Any transfer of partnership interest or any change in general or managing partners of any partnership holding a license shall be reported to the respective licensing authorities within thirty (30) days after such transfer or change. With the report, the licensee shall submit the names, addresses, and individual history records for any new general or managing partner, or any other partner acquiring 10% or more partnership interest.

**C. Entity Conversions**

1. Any licensee that qualifies for an entity conversion pursuant to section 7-90-201, C.R.S., et. seq., or similar law enacted by other states, shall not be required to file a transfer of ownership application pursuant to section 12-47-303, C.R.S. upon statutory conversion, but shall submit a report containing suitable evidence of conversion within thirty (30) days of such conversion. Such evidence shall include, but not be limited to, recognition of conversion by the Colorado Secretary of State. In addition, within thirty (30) days of the conversion, the licensee shall submit the names, addresses, and individual history records of any new officers, directors, managers, general or managing partners, and all persons having an ownership interest of 10% or more.

- D. All reports required by this regulation shall be made on forms supplied by the Department of Revenue, Liquor Enforcement Division.
- E. For all applicants for the issuance of a license by reason of a transfer of possession of the licensed premises by methods to include operation of law, a petition in bankruptcy pursuant to federal bankruptcy law, the appointment of a receiver, a foreclosure action by a secured party, or a court order dispossessing the prior licensee of all rights of possession pursuant to article 40 of title 13, C.R.S., the licensing authorities shall consider only the requirements of section 12-47-307, C.R.S. The loss of possession of the licensed premises by the licensee does not in itself automatically invalidate, cancel or terminate the underlying license. An applicant who otherwise comes into possession of the licensed premises by operation of law, may apply for a transfer of the underlying license as provided by law pursuant to section 12-47-303, C.R.S. This provision does not prohibit a licensing authority from initiating any action as provided by law to suspend or revoke a license for loss of possession of the licensed premises.
- F. No application for a transfer of ownership may be received or acted upon by either the state or local licensing authority if the previous licensee has surrendered its license and had it canceled by either authority prior to submission of the transfer application. In cases where cancellation has occurred prior to the submission of a transfer of ownership application, the license applicant shall follow the procedures for a new license application pursuant to section 12-47-311, C.R.S.

**Regulation 47-305. Transfers – Wholesaler Confirmation.**

Basis and Purpose. The statutory authority for this regulation is found at subsections 12-47-202(1)(b), 12-47-202(2)(a)(I)(A), 12-47-202(2)(a)(I)(C), and 12-47-303(1)(d), C.R.S. The purpose this regulation is to provide guidance to applicants and licensing authorities regarding statutory requirements for transfers under subsection 12-47-303(1)(d), C.R.S. and what is satisfactory to demonstrate fulfillment of the requirement that all wholesalers have been paid in full prior to approval of a transfer application.

- A. In accordance with section 12-47-303(1)(d), C.R.S., the Applicant shall deliver a confirmation to each wholesaler licensed under this article (to include brewpubs, distillery pubs, vintner's restaurants and limited wineries) who has sold alcohol beverages to the transferor-licensee within the preceding one hundred eighty (180) calendar days, in the form and substance approved by the Liquor Enforcement Division.
- B. The confirmation shall be delivered via United States mail or other common carrier with a minimum of a return receipt to the last known business address of the wholesaler, attention: credit department. The purpose of this regulation is to establish certain permitted and prohibited sign and display practices between suppliers and retailers in order to clarify and prevent statutorily prohibited financial assistance between tiers.

- A. For purposes of this regulation, "signs" shall mean any visual message intended for the consumer that is located within, or on the exterior of, licensed premises for the purpose of displaying advertising messages or other information related to alcohol beverage suppliers or their products.

- B. A supplier's signs, illuminated or otherwise, that may be provided free of charge to a licensed retailer, shall be composed of any standard, pre-manufactured material such as paper, plastic, glass (including mirrored glass), cloth, metal, or programmable electronic components, and shall have no other utilitarian value.
- C. The term "displays within such premises," hereinafter referred to as "interior displays," shall mean all non-refrigerated racks, bins, barrels, casks, shelving, or similar items, the primary function of which is to hold, shelf, or display alcohol beverages within retail premises.
- D. A supplier's standard interior display that may be provided free of charge to a licensed retailer, shall have no other utilitarian value other than that of being purely for display purposes. Any interior display containing any property other than that authorized in paragraph C above, may not be given or loaned to a licensed retailer, but must be sold at a price not less than the supplier's actual cost.
- E. Advertising statements on signs and interior displays that are permitted to be provided free of charge to a retailer, shall primarily consist of a supplier's name, brand name, trade name, or trademarks; words or phrases, such as "on tap," "on draft," "in bottles," "in cans," "beverages," "beverage department," "ice cold," "take home," and similar copy; and words or phrases such as "delicious with (specifically named food or food products or food generally)" and similar statements relating alcohol beverages to food and constituting a part of the supplier's standard advertising. Permitted language may also include a retailer's name and address, the retailer-established selling price of alcohol beverages, and retailer-specific promotional announcements, provided that the sign or interior display, in its totality, primarily advertise the supplier or its products.
- F. No supplier shall directly or indirectly pay to any retailer, and no retailer shall accept, any value or consideration in connection with, or for the right or privilege of, installing or maintaining any sign or interior display on, or in, or relating to, a retailer's licensed premises.
- G. Nothing in this regulation shall apply to non-profit, charitable, or other qualifying organizations, when such organization conducts licensed events pursuant to the requirements contained in article 48 of title 12, and related regulations, and such organization does not otherwise hold a retail license pursuant to articles 46 or 47 of title 12. However, nothing herein shall authorize any financial assistance for the purpose of altering or influencing an organization's product selection for said events.

**Regulation 47-322. Unfair Trade Practices and Competition.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b), 12-47-202(2)(a)(I)(G), and section 12-47-308, C.R.S. The purpose of this regulation is to establish certain permitted and prohibited trade practices between suppliers and retailers in order to clarify and prevent statutorily prohibited financial assistance between tiers.

Suppliers and their agents or employees may not attempt to control a retail licensee's product purchase selection by engaging in unfair trade practices or competition.

Nothing in this regulation shall apply to non-profit, charitable, or other qualifying organizations, when such organization conducts licensed events pursuant to the requirements contained in article 48 of title 12 and related regulations, and such organization does not otherwise hold a retail license pursuant to article 46 or 47 of title 12. However, nothing herein shall authorize any financial assistance for the purpose of altering or influencing an organization's product selection for said events.

Retailers may not accept any prohibited financial assistance as described herein, and suppliers are prohibited from directly or indirectly engaging in the following unfair practices:

- A. Sales of alcohol beverages.
1. No vinous or spirituous liquor may be sold by a vinous or spirituous liquor manufacturer or wholesaler to a retail licensee below the laid-in cost of said vinous and spirituous liquor products.
  2. No malt liquors or fermented malt beverages may be sold by a malt liquor/beverage manufacturer or wholesaler to a retail licensee below the laid-in cost of said malt liquor/beverage products.
  3. Product cost per case will be determined utilizing a "Last In/First Out" basis unless a supplier has adequate records to verify that the actual cost of said products was less than the most recent shipment received.
  4. A wholesaler's laid-in cost is defined as the actual proportionate invoice price and freight charge to that wholesaler or distributor, plus applicable state and federal taxes of any given product. An in-state manufacturer's laid-in cost is defined as the actual costs of the manufacturer, plus applicable state and federal taxes.
  5. Certain sales of alcohol beverages below cost are not designed or intended to influence or control a retailer's product selection. The following exceptions to below cost product sales are therefore permitted:
    - a. Product lines that will be discontinued by a supplier for a minimum of at least one year may be sold below cost at market value.
    - b. A wholesaler's aged inventory of vinous and spirituous liquors for which the current market value has fallen substantially below the wholesaler's original purchase cost, after a period of twelve (12) months, and for which a recovery of the original cost through an increase in market value is unlikely. For aged inventories sold to retailers below their cost due to market-below-cost conditions, wholesaler's shall maintain the following records for a minimum of three years:
      - i. Original purchase invoice.
      - ii. Aged inventory schedule verifying slow sales and drop in market value.
      - iii. Other factors that had an effect on a decrease in market value (e.g. over-production, poor media critique).
    - c. Products for use, but not for resale by the drink, by a non-profit organization or similar group, as defined in section 12-48-102, C.R.S., on a retailer's licensed premises, may be invoiced to a retailer at no cost. The invoice for said products must detail the products provided and the group for whose benefit it is provided. At the conclusion of the organization's event any unused product must be returned to the manufacturer, wholesaler, brewpub, distillery pub, or vintner's restaurant, or invoiced at a minimum of laid in cost to the retailer.
  6. Suppliers authorized to sell alcohol beverages to licensed retailers pursuant to articles 46 or 47 of title 12, may offer product discounts to licensed retailers that meet the requirements of paragraph A, and the following additional conditions:

- a. "Product Discount" shall mean a price reduction negotiated between supplier and retailer before the sale and delivery of alcohol beverage products, and where a description of the products subject to discount, and the dollar amount of the discount, is finalized and recorded in the supplier's sales records.
  - b. Discount programs are not subject to time limitations, and any discount program that will affect more than a single sales transaction and sales invoice are permitted, provided that no invoice, by itself, reflects a zero cost or below-cost sale.
  - c. Product discounts that are conditioned upon a retailer's commitment to prominently display the supplier's products are prohibited.
- 7. Any rebate, whereby a monetary value is returned by a supplier to a retailer, in cash, account credit, or free goods, as a reward or compensation for meeting a pre-specified purchase goal, is prohibited.
- 8. Suppliers authorized to sell alcohol beverages to licensed retailers pursuant to articles 46 or 47 of title 12, may offer account credits to licensed retailers under the following conditions:
  - a. Any account credit offered on previously issued sales invoices must be in direct relation to previous product purchases, lawful returns pursuant to this regulation or other legitimate commercial transactions as authorized under articles 46 or 47 of title 12, C.R.S. and related regulations.
  - b. Credits that cannot be connected with authorized business transactions, as described herein, will be considered unlawful financial assistance, and are therefore prohibited.
  - c. Both the seller and retail licensee shall maintain copies of sales invoices and evidence of payment related to the transactions described in this section, in accordance with 12-47-701, C.R.S., and for the time frame specified in Regulation 47-700.
- B. On-site sales promotions
  - 1. Suppliers may conduct an on-site product sales promotion at a retailer's licensed premises subject to the following conditions:
    - a. Free goods of any value may be provided to the public, provided that a supplier's representative or authorized agent, who is not the retailer or a retail employee/agent, is physically present to award free goods to the public. Suppliers shall not require a customer purchase in order for the customer to receive the free goods.
    - b. If only consumer advertising specialties, as described in Regulation 47-316(A), are to be provided at the promotion, neither suppliers or their agents need be present for their distribution.
    - c. Suppliers are prohibited from providing anything other than the items specified in Regulation 47-316(A) to retailers or their employees at on-site product sales promotions.

- d. Suppliers may provide or pay for any media announcement of an on-site product sales promotion that primarily advertises the product, the location, and the date and time of the promotion. The name of the retail outlet may also be mentioned.
  - e. Retailers may at their own cost advertise in advance a supplier's product sales promotion.
  - f. No supplier may require that a retailer change its product selection as a condition of conducting a product sales promotion. Retailers may at their option change their product selection in support of a product sales promotion.

  - b. A retailer may not impose any charge to the consumer to enter or participate in the sampling.
  - c. If all product listed in the sales invoice is consumed as permitted herein, the supplier may issue the retailer a credit against the entire amount of the original invoice.
  - d. Any remaining product must be returned to the wholesaler, or sold to the retailer at a minimum of the seller's cost.
  - e. Supplier representatives or their authorized agents may provide alcohol beverage samples directly to the consumer, if the product has been delivered to the retail premises pursuant to the conditions described herein, and the retailer has so consented.
  - f. Suppliers may provide or pay for any media announcement of a supplier-sponsored consumer sampling that primarily advertises the product, the location, and the date and time of the sampling. The name of the retail outlet may also be mentioned.
- 3. A supplier-sponsored consumer give-a-way of malt liquors held in retail establishments licensed for off-premises consumption for the purpose of product sales promotion, are permitted under the following conditions:

  - c. The product purchased must be of the supplier's brands and currently offered by the supplier.

- d. The supplier must be present and shall be the person who gives the product to consumers. The supplier representative must verify that each consumer is of lawful age prior to giving the item to them.
- e. The supplier and retailer must keep records of all items purchased from a retail liquor store to be used as a free give-a-way to consumers. The records must include the date, retailer/supplier name, amount paid, and name of products purchased.
- f. Supplier representatives or their authorized agents may give-a-way sealed malt liquor products directly to the consumer (for off premises consumption only), if the product has been purchased in accordance to this regulation and the retailer has so consented. - g. The maximum amount of malt liquor beverages given to each consumer is limited to twenty-four (24) ounces.
- h. Suppliers may provide or pay for any media announcement of a supplier-sponsored consumer give-a-way that primarily advertises the product, the location, and the date and time of the give-a-way. The name of the retail outlet may also be mentioned.
- i. All items purchased by the supplier representative for the give-a-way must be given away to the consumer or the retailer must purchase back any remaining items not given away at the original purchase price.

**C. Sponsored events: Lawful Advertising**

- 1. Suppliers may provide sponsorship fees to advertise at charitable or civic events that are temporary in nature, where the supplier's sponsorship fee affords the supplier exclusive signage rights at the retail premises, and where sponsorship proceeds are received directly by the charity or civic endeavor, and not by a licensed retailer.
- 2. Suppliers may provide a sponsorship fee to advertise in ballparks, resorts, racetracks, stadiums, concert venues or entertainment districts as long as such sponsorship fee is not paid to a person or entity holding a retail license at such venue, directly or indirectly, and is not intended to influence the product selection of such retailer. The retailer's product selection for the event may not change as a condition of the event sponsorship and the products of the supplier's competitors may not be excluded.
- 3. Suppliers may provide or pay for any media announcement of a sponsored event that primarily advertises the product, the location, and the date and time of the event. The name of the retail outlet may also be mentioned.
- 4. Suppliers providing sponsorship fees to advertise at the aforementioned venues may also provide those items and services authorized under regulations 47-316, 47-320, and 47-322 to the licensed retailers at, or in conjunction with, the sponsored event.

3. Recreation may include fees associated with participation in athletic or sports-related activities.
4. For any supplier-provided retailer entertainment, the supplier is prohibited from providing the costs associated with lodging and travel, other than nominal ground transportation.
5. Suppliers must maintain records sufficient to verify those entertainment expenses associated with retailers and their employees. Failure to maintain such records shall not be a per se violation of this regulation, but could constitute a violation of section 12-47-701, C.R.S. or Regulation 47-700.

**E. Alcohol Beverage Samples for Retailers**

1. Wholesalers, or those licensed to sell at wholesale pursuant to article 46 and 47 of title 12, may furnish or give a limited amount of alcohol beverage samples to retailers licensed solely for on-premises under the following conditions:
  - a. The retailer's class of liquor license permits the sale of the type of beverage offered as a sample.
  - b. The providing of samples is not conditioned upon future purchases of alcohol beverages, or as compensation for any previous alcohol beverage purchase.
  - c. The retailer has not purchased the product SKU of the alcohol beverage offered as a sample within the previous six (6) months.
  - d. The wholesaler provides not more than 3.0 liters per brand of spirituous liquor, not more than 3.0 liters per brand of vinous liquor, and not more than one six-pack, or 72-ounce equivalent, per brand of malt liquor or fermented malt beverage so packaged. If a particular brand is not available in a size meeting the quantity limitations stated herein, a wholesaler may furnish the next available larger size.
  - e. Only the retailer and its employees are authorized to taste or test those alcohol beverages given as samples, as provided herein. Nothing shall authorize a retailer to sell any samples provided or to use such the same for consumer tastings.
2. Wholesalers, or those licensed to sell at wholesale pursuant to article 46 and 47 of title 12, may furnish or give a limited amount of alcohol beverage samples to retailers licensed solely for off-premises under the following conditions:
  - a. The retailer's class of liquor license permits the sale of the type of beverage offered as a sample.

- c. The wholesaler provides not more than 3.0 liters per brand of spirituous liquor, not more than 3.0 liters per brand of vinous liquor, and not more than one six-pack per brand of malt liquor or fermented malt beverage so packaged. - d. The wholesaler is present at the time of consumption and maintains sole possession of the container after sampling. Samples, in the quantities described herein, may be left in the retailer's possession if the container seal is left intact, but must be removed from the licensed premises at the end of the day.

**F. Consignment Sales and Lawful Product Returns**

- 1. Wholesalers are prohibited from making consignment sales to retailers.
- 2. A consignment sale is an arrangement whereby a wholesaler invoices and delivers alcohol beverages to a retailer who is under no obligation to pay for such beverages until they are resold. Consignment sales also afford the retailer the right to return product to the wholesaler for any reason.
- 3. Wholesalers are permitted to accept a return of alcohol beverages previously sold to retailers for ordinary and usual commercial reasons and to provide account credit or product exchange. Such commercial reasons for return shall be limited to the following:
  - a. Defective products: Products qualifying under this exception are those that are upon delivery, or later become, unmarketable due to contamination or deterioration of product ingredients, leaking containers, damaged labels, or missing, damaged or compromised container seals.
  - b. Broken containers or short-filled containers/cases: Nothing shall prevent a retailer from making a claim for the replacement of alcohol beverages that were delivered by a wholesaler in a damaged or incomplete condition, and nothing shall prevent a wholesaler from granting credible claims.
  - c. Error in products delivered: Any discrepancy between a retailer's product order and the products delivered may be corrected by the wholesaler within a reasonable period after delivery.
  - d. Discontinued products: When a manufacturer or importer discontinues the production, importation, or market availability of a product, a retailer may return any remaining product to the original wholesaler. A retailer's decision to discontinue a product does not qualify.
  - e. Manufacturer's product change: When a manufacturer has changed the formula, proof, label or container of an alcohol beverage, wholesalers may withdraw the product from the retailer's inventory and replace it with the newly-manufactured product.
  - f. Manufacturer's quality standards: To ensure freshness standards for malt liquor and fermented malt beverages, wholesalers may withdraw product from the retailer's inventory and replace it with new product, without additional charge, under the following conditions:

- I. Out of freshness standard is defined as: a product that has a pre-printed freshness date on the alcohol beverage container that is no more than thirty (30) days away from the current date.
    - ii. The product to be withdrawn is undamaged and in its original packaging.
    - iii. The retailer purchased the original product from the wholesaler providing the replacement, or the current wholesaler is acting as an authorized successor wholesaler.
    - iv. The wholesaler replaces the product with the identical product SKU, the identical quantity, and the identical package.
    - v. If the wholesaler can substantiate that repeated replacement of the identical type and brand is ineffective (e.g. the wholesaler has replaced the same product at least twice), the wholesaler may instead substitute a product from the same brand family that is equal in value to the original purchase.
    - vi. If a seasonal product is out of the freshness standard, out of season and not available for replacement, a wholesaler may pick up the product from a retailer and replace it with a product from the same brand family that is equal or lessor in value to the original purchase.
    - vii. A wholesaler may sell a product to another retailer that was picked up because it was within thirty (30) days prior to the freshness date. The sale of this replaced product to another retailer can only be done once.
  - g. Retailer's seasonal operation: For those retailers who are only open for business a portion of the year due solely to seasonal influences, or for venues that operate only during scheduled events, a wholesaler may remove and grant credit for those products that are likely to spoil or violate a manufacturer's freshness standards.
  - h. Wholesalers that have lawfully exercised their claim to a retailer's inventory as secured creditors.
  - i. Products in a retailer's inventory that may no longer be sold due to statutory or regulatory changes or disciplinary actions over which the wholesaler and retailer had no control.
  - j. Within thirty days of evidence of an expiration or a lawful surrender and cancellation of a retail liquor license by the state licensing authority.
  - k. Holders of special events permits that have unsold alcohol beverages after the licensed event.
4. A return of product for the following reasons does not qualify as a return for ordinary and usual commercial reasons:
- a. A retailer's overstocked inventory or slow-moving products.
  - b. Products for which there is only a limited-time or seasonal demand, such as holiday decanters or seasonal brands.

**G. Warehousing of products for a retailer**

Wholesalers shall not furnish free warehousing to retailers by delaying delivery of alcohol beverages beyond the time that payment for the product is received or, if a retailer is purchasing on credit, delaying final delivery of products beyond the close of the period of time for which credit is lawfully extended pursuant to 12-47-202(2)(b), C.R.S.

**H. Product resets**

Resets by a supplier are permitted, but a competitor's alcohol beverage products may not be disturbed during the reset process, unless the in-state seller of the competing products has been given 72 hours written notice, during normal and customary business hours, and is not present at the time designated for the reset activity. Suppliers may furnish a retailer with a recommended shelf plan or shelf schematic.

**I. Equipment rentals**

All equipment rentals by a supplier to a retailer must be at fair market value.

**J. Other goods**

Suppliers may not provide a retailer with any other goods below a supplier's cost except those items expressly permitted by articles 46, 47, or 48 of title 12, C.R.S., and related regulations.

When a supplier also deals in items of commerce that are not regulated by articles 46, 47, or 48 of title 12, only the following restrictions shall apply:

1. The unregulated item(s) may not be on the same invoice as the alcohol beverages sold.
2. The unregulated item(s) may not be provided as an inducement, or require purchase of alcohol beverages.
3. Any equipment or other goods provided free of charge (e.g. energy drink refrigerated coolers) shall not be provided in conjunction with alcohol sales or promotions.

**K. Indirect financial assistance through third party arrangements**

1. A supplier's furnishing of any equipment, supplies, services, money, or other things of value to a third party that is not licensed pursuant to article 46 or 47 of title 12, C.R.S. where the benefits resulting from such things of value flow to individual licensed retailers through written agreements or otherwise, is prohibited.
2. A supplier will not be in violation of this regulation when the unlicensed third party provides the prohibited item or service to a retailer without the supplier's knowledge, and the supplier could not have reasonably foreseen that the item or service would flow to a retailer.
3. Retailers that collude with unlicensed third parties to obtain prohibited financial assistance through a third party arrangement between a third party and a licensed supplier shall be in violation of this regulation.
4. It shall not be a violation for a supplier to furnish items or services to a retailer that are otherwise specifically authorized by regulation or any provision within articles 46 or 47 of title 12, C.R.S.

**L. Value of labor**

1. Suppliers may provide labor at no cost as it relates to product delivery, price stamping, rotation and stocking. The cleaning of beverage dispensing equipment and supplier-provided displays may also be provided at no cost.
2. Suppliers may, upon retail premises, organize, construct, and maintain displays of those alcohol beverages that they sell. Such supplier-constructed displays shall be accessible by the consumer.
3. Cost of labor provided to a retailer for services such as the installation of dispensing systems and the pouring or serving of alcohol beverages (except as allowed by regulation 47-322(B)(2)) shall be at least at a minimum of that employee's hourly wage.

**Regulation 47-323. Lawful Extension of Credit.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b), 12-47-202(2)(a)(I)(A), 12-47-202(2)(a)(I)(O), and 12-47-202(2)(b), C.R.S. The purpose of this regulation is to reinforce federal regulations and establish certain permitted and prohibited credit extension practices between suppliers and retailers.

**A. Definitions:** For purposes of this regulation, the following definitions are applicable:

1. "Supplying licensee" means those persons authorized pursuant to articles 46 and 47 of title 12, C.R.S. to sell fermented malt beverage, malt liquor, vinous liquor, and spirituous liquors to licensed retailers.
2. "Retailer" means those persons licensed pursuant to sections 12-47-401(1)(h) – (t) and (v) – (w) and 12-46-104(1)(c), C.R.S. to sell alcohol beverages to the end consumer. Except the term "retailer" as used in this regulation shall not include a liquor-licensed drugstore that receives a license after January 1, 2017, which shall not purchase alcohol beverage on credit or accept an offer or extension of credit from a licensee and shall effect payment upon delivery of the alcohol beverage pursuant to section 12-47-408(2)(b), C.R.S.
3. "Cash" means United States currency.
4. "Cash equivalent" means a financial transaction or negotiable instrument other than cash, including: bank drafts (business or personal check, cashier's check, certified check) money order, any other type of completed electronic funds transfer, or a supplying licensee's lawfully-issued credit to a retailer's account. Nothing in this regulation shall require a supplying licensee to make available all of the aforementioned types of cash equivalent.
5. "Alcohol beverage purchase" means the date upon which the alcohol beverage is delivered to the retailer and the retailer takes possession.

**B. Transaction Requirements and Restrictions:**

1. Regarding retailers' alcohol beverage purchases on credit, supplying licensees are prohibited from extending credit to any retailer for a period in excess of thirty (30) days.

2. A supplying licensee's delivery of alcohol beverages to a retailer must be accompanied by a sales invoice that shows the name of the retailer, the place of delivery (address of the licensed location), the invoice date, the date of delivery, a full description of the alcohol beverages delivered and accepted, a full description of any items on backorder to be delivered on a different date, and the price and terms of sale.
3. If there are discrepancies between the product described in the original sales invoice and the actual delivery, handwritten amendments shall be made to the invoice to reflect any corrections and shall be initialed by an authorized representative of the retailer or supplying licensee. Invoiced product that will be delivered on another date must be re-invoiced by the supplying licensee to reflect the date upon which the actual delivery took place.
4. Where there is lawful ownership of multiple, separately-licensed retail locations, each location must be considered separate and distinct with respect to alcohol beverage purchases. Therefore, a supplying licensee shall consider each location as separate and distinct for the purpose of extending credit. For retailers holding a resort complex or a campus liquor complex class of hotel and restaurant license, all related facilities within the resort complex or the campus liquor complex must be considered as a single location for the purpose of extending credit.

**C. Calculation of Lawful Credit Period:**

1. The lawful credit period is thirty (30) calendar days.
2. For the purpose of determining compliance with this regulation, the credit period shall commence on the alcohol beverage purchase and conclude on the date of full legal discharge from all indebtedness arising from the sales transaction related to the delivery, except as otherwise provided in paragraph G of this regulation.
3. If the final day of the lawful credit period falls on a Saturday, Sunday, or legal holiday, the final day shall be the next business day.
4. For the purpose of calculating the lawful credit period only, a retailer's acceptance of an alcohol beverage delivery and sales invoice verifying the delivery is a per se acceptance of the delivery and sales terms.
5. Errors and refusals of delivered product must be noted on either licensee's copy of the sales invoice by an authorized representative of either licensee.

**D. Required Payment During Lawful Credit Period:**

1. A retailer's payment on a supplying licensee's credit sale shall be recognized as the earlier of:
  - a. The date the payment is deposited by the supplying licensee, or
  - b. The date the transaction is recorded in the licensee's accounting records, or
  - c. The date the supplying licensee or its authorized representative receives the retailer's payment in person, or

- d. The date a retailer can reasonably verify, through its own books and records, tender of payment to a supplying licensee. In order to ensure compliance with this regulation, retailers must make available to the supplying licensee, upon their request, those records that verify the date of tender.
  - 2. The following shall not be considered a lawful discharge of indebtedness for the purpose of advancing any additional credit to a retailer:
    - a. Business or personal checks that are returned to the supplying licensee as unpaid if replacement funds are not tendered within the lawful credit period.
    - b. Dispute claims filed by a retailer to a credit card provider for credit card advances it had previously authorized for product delivery, except as otherwise provided in paragraph G of this regulation.
    - c. A compromise of indebtedness between supplying licensee and retailer that is commercially unreasonable.
    - d. An assignment of a supplying licensee's accounts receivable for third party collection, when the discharge of indebtedness is dependent upon collection from the retailer.
    - e. The supplying licensee's temporary credit to a retailer's account, thereby providing the appearance that a retailer is eligible for additional credit.
- E. Indebtedness Beyond the Lawful Credit Period:
  - 1. Any supplying licensee that has not received full payment on a sales invoice on or before the conclusion of the 30 day lawful credit period, as calculated pursuant to paragraph D of this regulation, has not engaged in a per se violation of this regulation, but is prohibited from extending additional credit to the indebted retailer.
  - 2. A supplying licensee shall not advance any additional credit to the indebted retailer until the past due indebtedness is fully discharged.
  - 3. A supplying licensee may continue to sell alcohol beverage products to the indebted retailer only if cash or cash equivalent is provided at the time of each additional delivery.
  - 4. A supplying licensee's normal and customary business practice related to the assessment of finance charges on credit balances that exceed 30 days is not a per se violation of this regulation.
- F. Record Keeping Requirements for Supplying Licensees:
  - 1. Pursuant to Section 12-47-701, C.R.S., licensees shall keep and maintain business records necessary to fully show the business transactions of such licensee. The following additional minimum requirements shall be met in order to demonstrate compliance with this regulation.
    - a. Before a supplying licensee extends credit to a retailer, it shall review the credit status of the retailer's account to determine whether any unpaid balance remains on a credit sale that is beyond the lawful credit period for such sale. The supplying licensee shall develop a procedure that documents this credit verification process, and shall be obligated to demonstrate compliance upon any review by the state licensing authority.

- b. The supplying licensee shall maintain sufficient records that verify the commencement of the lawful credit period.
  - c. A supplying licensee that extends credit to retailers shall develop a method of verifying and documenting the date(s) of payment, and the final discharge of indebtedness of each sales invoice if it recognizes a payment date sooner than the date of its final accounting entry. This may include the retention of postmarked envelopes, hand written receipt ledgers, hand written acknowledgement of receipt on the supplying licensee's copy of a sales invoice, or other accounting records developed by the supplying licensee.
  - d. A supplying licensee that extends credit to retailers shall keep a record of those retailers that did not discharge indebtedness within the lawful credit period, and evidence that subsequent sales were cash or cash equivalent on delivery until the indebtedness was discharged.
- 2. A retailer's records may supplement the supplying licensee's records in determining compliance with record keeping requirements, but shall not mitigate a supplying licensee's lack of compliance.
- G. **Dispute Resolution:** The purpose of this section shall be solely for the purpose of determining if a supplying licensee may continue to extend credit to a retailer when transaction amounts in dispute cannot be resolved within the lawful credit period. Nothing herein shall restrict the licensees from exercising their contractual rights in civil disputes.
  - 1. If there is a good faith dispute by a retailer as to the validity or reasonableness of the amount owed or the payment made to the supplying licensee, then the retailer shall give written notice to the supplying licensee prior to the close of the lawful credit period. The retailer shall include the disputed amount due or payment tendered, the invoice number, and a detailed reason for the dispute.
  - 2. Upon receipt of written notification, the supplying licensee shall determine its position and respond within 15 days of the retailer's written notification. The supplying licensee may continue to extend 30 days credit on new purchases pending the resolution of the dispute, so long as the retailer has provided written notice as described in paragraph G.1., and has tendered payment for all amounts not in dispute.
  - 3. For purposes of this regulation, the amount of a qualifying price dispute shall be calculated as the disputed price differential times the number of cases purchased. For example, if the supplying licensee invoices a case of alcohol beverage at \$11.00 per case, and the retailer's records reflect a negotiated case deal of \$10.00, then the amount in dispute for purposes of this regulation is calculated as \$1.00 times the number of cases purchased.
  - 4. The supplying licensee is prohibited from extending 30 days credit on new purchases if the retailer fails to claim disputes in the manner described in this section or fails to make full payment of undisputed amounts on or before the end of the lawful credit period. A retailer's action to stop or delay payment on any financial transaction does not qualify as proper written notice to a supplying licensee of a good faith dispute.

5. Once a dispute is resolved, a retailer will have 30 days to pay any amount due and/or a supplying licensee will have the same period of time to adjust its records to reflect the outcome. If the dispute resolution process is unsuccessful after good faith efforts by both parties, and any amount due would otherwise be placed for collection, the supplying licensee must cease the extension of credit to the retailer and shall conduct any future sale of alcohol beverages for cash or cash equivalent on delivery.
  6. Supplying licensees and retailers shall keep sufficient records to document those disputes that are used as justification for the continued extension of credit, which would otherwise be prohibited.
- H. Unlawful Financial Assistance:
1. Except as provided for in paragraph G of this regulation, a supplying licensee who continues to extend credit to a retailer who has not fully discharged indebtedness through the lawful means described in this regulation, or who fails to exercise due diligence with the requirements of this regulation, may be sanctioned by the state licensing authority for providing unlawful financial assistance to a retailer, as provided for in Section 12-47-308(1)(a), C.R.S. and related regulations.
  2. Except as provided for in paragraph G of this regulation, a retailer who fails to pay the amounts due to the supplying licensee after the conclusion of the lawful credit period, and who receives further sales on credit from that supplying licensee, may be sanctioned by the state licensing authority for receipt of unlawful financial assistance from the supplying licensee, as provided for in Section 12-47-308(3)(a), C.R.S. and related regulations. Unlawful financial assistance shall inure to the retailer after the supplying licensee has made final demand for payment through written correspondence or other means of commercial debt collection and has made subsequent sales on credit.

The purpose of this regulation is to establish general processes and procedures required for the licensing authority to suspend or revoke a license for violations of any law, or rule or regulation of the state licensing authority.

- A. Whenever a written complaint shall be filed with a licensing authority, charging any licensee for the manufacture or sale of alcohol beverages with a violation of any law or of any of the rules or regulations adopted by the State Licensing Authority, the licensing authority shall determine by investigation or otherwise the probable truth of such charges.
- B. If it shall appear therefrom or shall otherwise come to the attention of the licensing authority that there is probable cause to believe that a licensee has violated any such law, rule or regulation, the licensing authority shall issue and cause to be served upon such licensee a notice of hearing and order to show cause why its license should not be suspended or revoked.

- C. A hearing shall be held at a place and time designated by the licensing authority on the day stated in the notice, or upon such other day as may be set for good cause shown. Evidence in support of the charges shall be given first, followed by cross-examination of those testifying thereto. The licensee, in person or by counsel, shall then be permitted to give evidence in defense and in explanation, and shall be allowed to give evidence and statements in mitigation of the charges. In the event the licensee is found to have committed the violation charged or any other violation, evidence and statements in aggravation of the offense shall also be permitted.
- D. If the evidence presented at the hearing does not support the charges stated in the notice and order served upon the licensee, but standing alone establishes the guilt of the licensee of a violation of some other law, rule or regulation, the licensee shall be permitted to give evidence and statements in defense, explanation and mitigation if then prepared to do so. If such evidence is not then available, but can be obtained by the licensee, the licensee shall state the substance thereof and upon his request the hearing may be recessed for not more than ten days, and shall then continue under the same procedure as though no recess had occurred.
- E. In the event the licensee is found not to have violated any law, rule or regulation, the charges against him will be dismissed. If the licensee is found to have violated some law, rule or regulation, his license may be suspended or revoked.
- F. Every licensee whose license has been suspended by any licensing authority shall, if ordered by the licensing authority, post two notices in conspicuous places, one on the exterior and one on the interior of its premises, for the duration of the suspension. The notices shall be two feet in length and fourteen inches in width containing lettering not less than ½ " in height, and shall be in the following form:

NOTICE OF SUSPENSION  
ALCOHOL BEVERAGE LICENSES ISSUED  
FOR THESE PREMISES HAVE BEEN

FOR VIOLATION OF THE COLORADO LIQUOR/BEER CODE

Advertising or posting signs to the effect that the premises have been closed or business suspended for any reason other than by order of the department suspending alcohol beverage license, shall be deemed a violation of this rule.

- G. During any period of active license suspension, when such suspension has not otherwise been stayed by a licensing authority through the payment of a fine pursuant to section 12-47-601(3) through (7.5), C.R.S., the licensee shall not permit the selling, serving, giving away, or consumption of alcohol beverages on the licensed premises.

**Regulation 47-601. Assurance of Voluntary Compliance.**

The purpose of this regulation is to establish general processes and procedures necessary for an assurance of voluntary compliance by a licensee for violations of certain laws, or rules or regulations of the state licensing authority.

The Liquor Enforcement Division Director or Local Licensing Authority may accept an Assurance of Voluntary Compliance regarding any act or practice alleged to violate Articles 46, 47 or 48 of title 12, C.R.S., or the rules and regulations thereunder, by a licensee who has engaged in, is engaging in, or is about to engage in such acts or practices. The Assurance must be in writing and may include a stipulation for the voluntary payment of the costs of the investigation. An Assurance of Voluntary Compliance may not be considered an admission of a violation for any purpose by the State or Local licensing authority; however, proof of failure to comply with the Assurance of Voluntary Compliance is prima facie evidence of a violation of articles 46, 47 or 48 of title 12, C.R.S., or the rules and regulation thereunder, not to exceed nine (9) months from the date of executed agreement. The State Licensing Authority or Local Licensing Authority may approve or review an Assurance of Voluntary Compliance executed by their respective agencies.

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(E), C.R.S. The purpose of this regulation is to authorize the licensing authority with the ability to immediately suspend a license pending hearing, subject to certain standards and process requirements.

- A. Where a licensing authority has reasonable grounds to believe and finds that a licensee has been guilty of a deliberate and willful violation of any applicable law or regulation or that the public health, safety or welfare imperatively requires emergency action and incorporates such findings in its order, it may temporarily or summarily suspend the license pending proceedings for suspension or revocation which shall be promptly instituted and determined.
- B. The temporary suspension of a license without notice pending any prosecution, investigation, or public hearing shall be for a period not to exceed fifteen days.

When a licensing authority finds that a licensee has sold alcohol beverages to a minor and that said violation was investigated or detected by using a person under twenty-one years of age to purchase alcohol beverages from the licensee, the licensing authority may consider the following penalties to be imposed for the violation:

  - 2. As an inducement for licensees to provide training for servers, because server training has proven to be an aid in the reduction of violations, it is recommended that, where there are no aggravating circumstances, a licensee who has fulfilled the requirements of a Responsible Vendor pursuant to 12-47-1002, C.R.S. be issued a warning, Assurance of Voluntary Compliance, or up to five (5) days suspension on the first violation.

**Regulation 47-1018. Special Event Permittee - Supplier Financial Assistance.**

Basis and Purpose. The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(G), C.R.S. The purpose of this regulation is to clarify permitted and prohibited support and/or services offered by suppliers to organizations holding a special event permit.

Licensed suppliers may furnish financial support and/or services to organizations, as defined by article 48 of title 12, C.R.S. that qualify for a special events permit. Support shall be in connection with public service or non-profit fund raising activities including, but not limited to, events such as: fairs, sporting events, agricultural exhibitions, educational clinics, concerts, and other similar events. A supplier may furnish or share the cost of advertisements, signs, promotional materials and items of a similar nature used in connection with a non-profit special events permit. Support shall not be conditioned, directly or indirectly, upon the present or future purchase of an alcohol beverage or fermented malt beverage or the exclusive sale of a supplier's product at such events.

**Regulation 47-1020. Alcohol Beverage Donations.**

**Basis and Purpose.** The statutory authority for this regulation is located at subsections 12-47-202(1)(b) and 12-47-202(2)(a)(I)(G), C.R.S. The purpose of this regulation is to clarify permitted alcohol beverage donations and associated conditions.

- A. For purposes of this regulation, "wholesaler" means an entity licensed to sell alcohol beverages at wholesale to special event permit holders, including wholesalers of malt liquor and fermented malt beverages, wholesalers of vinous and spirituous liquors, limited wineries, brewpubs, distillery pubs and vintner's restaurants.
- B. A wholesaler may donate alcohol beverages to a special event permittee at no cost if such beverages are used for hospitality or fund raising purposes, including resale by the drink. The wholesaler shall provide an invoice documenting the donation of such products to the permittee and shall ensure that all applicable state excise taxes are paid pursuant to section 12-47-503, C.R.S.
- C. Nothing herein shall prohibit a retailer licensed for off-premises consumption to make a donation of alcohol beverage to a special event permit holder, as long as such donation is taken from the retailer's existing inventory.
- D. Wholesalers and retailers licensed for off-premises consumption may make a donation of alcohol beverages to organizations that would otherwise qualify for a special events permit but are exempted under section 12-48-108, C.R.S. The wholesaler shall provide an invoice documenting the donation of such products to the organization and shall ensure that all applicable state excise taxes are paid pursuant to section 12-47-503, C.R.S. However, nothing herein shall authorize a wholesale licensee to deliver such alcohol beverages to premises that are not licensed pursuant to articles 46 or 47 of title 12, C.R.S.
- E. When an event, for which the alcohol donations are solicited, is held at a retail location licensed for on-premises consumption pursuant to article 46 or 47 of title 12, the wholesaler shall invoice the retailer at no cost for alcohol beverage products intended for the event, if the retail licensee consents to such an arrangement. Any such donated product which is unused must be returned by the retailer to the wholesaler as soon as practicable after the event. If the unused product is not returned, then the wholesaler must charge the retailer at least the minimum of cost for those products. The retail value of any donation from a retailer licensed for off-premises consumption to a non-profit event held at a retail location licensed for on-premises consumption will count against the on-premises licensee's statutory dollar limit of alcohol purchased from an off-premises retailer.
